Ah yes...C&R . I love it .
1) To give up, throw your timed c4 and crouch to give up and than you must go to teh designated jail for the other team(Usually Nod has the aitstrip building, GDI usually is barracks or the WF bay)
2) Do not kill a prisoner when they give up EVER
3) Don't buy vehicles(DOS)
4) NO MINES(DOS)
5) Never pull out a gun while in prison unltil you exit the prison
6) It is usually good to not kill the prisoner when you are guarding them
7) No building attacking
 When the hosts changes the rules, follow them
9) NEVER EVER EVER KILL YOUR TEAMS PRISONERS UNLESS THREATENED
10) During a raid, don't just immediately kill the prisoner, kill the people.

Thats basic stuff, (DOS= Depends on Server)
