Here are my rules for my C&R server every now and then

1. No profanity
2. No basekill
3. The only vehicles allowed are extras, and Hummvee/Buggy
4. Crouch and throw C4 to surrender
5. No being an ass
6. If you break a rule and if me, or my brother sees it you will be instantly kicked

And my bro puts so much Remote C4 on the prisoners face that they can't see LOL
