Reread my post please. You shot and missed pretty bad.

I wasn't responding to your post, or anyone's in particular, really. If I did, I'd have quoted you, or anyone else.

I merely put that out there before someone came ringing in that an Atheist leader would automatically be better than anyone who was religious in any way, and in shape or form. I doubt that'll happen, but hey, it's happened before.

And dude, you really ought to tone down the attitude a bit. It only turns this stuff into stupid flame wars.
