PsYTheDragonummm.... actually, when red alert was made, westwood was already owned by EA.

No. Westwood was owned by Virgin. Red Alert 1, C&C DAWN,C&C SS, and MAYBE TS were all made by WW when they were owned by Virgin.

BTW... did you guys know that Renegade isnt the first #D game westwood has brought out... In cooperation with some other company (probably virig as thedragon already said) they made a first persone tank shooter called Recoil, for a game that has been made mid 90's, thats a good looking thing.
