Me, at Yellowstone park in Wyoming a while ago. Dunno why I had the guitar, but it works. My hair is 'bigger' now, though.

Right,

Since someone deleted me post on a comment about your picture:

You remind me of the kind of country hot stud that takes our mommy's away from daddy for a weekend while she's out "shopping" or doing some "late-night pottery classes"

John Redcorn anyone?

Iunno, just looks alittle bit fake. Professional even.

The guitar.

The jetstream.

The picture while he's blowing smoke.

The super hot pose that makes gays wet.

The tattoos;

You see what I mean?
