HomeyHe's not in -LT-. So he made a typo? Who gives a fuck and btw, you are a retard for thinking everyone with Lt in front of there name is in the clan dumbass.

That is a perfectly logical assumption. Clans use that nomenclature all the time, and make it mandatory that the member use the prefix, then thier name.

So, how is that retarded? Ever heard of HS?

I think you default to the "retard" comment when your limited intellect stops you from having a debate.

It's actually quite amusing to have you react this way.
