Cabal8616 wrote on Tue, 13 May 2008 17:28Rp2 isn't designed to be like Renegade atall. It's more designed to be somewhat like GTA, in the sense that you run around doing whatever you please, killing people, etc.

Pretty much what I said it is designed to look like another game(GTA) but technically it still is renegade since it is just a map with similar but different looking models.
