SSnipe wrote on Sun, 18 May 2008 23:51it works expect takes me to 0,0,0 after putting int he 3 random spots but idk why thats so......ether way ut works great....

another thing that !info command what other info can u add?
i tried to add 5 new ones until i release they were not constant char lol

You can add all types of info, there's too much to list.

It should not be moving you to 0,0,0, not if you have changed all three random spawn positions.
