{SB}Lone0001 wrote on Tue, 20 May 2008 16:52 You only need the idd if I remember correctly when I asked it the lsd crashes it or something.

i tried that.....and yet nothing happen...

i tried:

both files into mix

lsd in mix other file in data

idd in mix other file in data

new ldd file and left the lsd file that came with map

new lsd file and left the ldd file that came with map

and i think thats all iv done
