lol u dont even manage to get ur own dune mod get released before what shall i say year 3000?!
lol

What?

He means, take things one step at a time but in a very blunt manner. Having a load of differant mods on at the same time isn't a smart thing to do, as Paradox could tell you.

Scud Storm may have a few clever little features, but if you look past that it's too much work for very little gain, a.k.a it sucks ass. (Just like Generals!)
