These are always fun. Almost everyone has an album in their collection that they are embarrassed to own. Either it's because the album is great because it's so shitty, or it's from a clueless aunt who mailed it to you for Christmas, and you can't get rid of it.

I'll go first. Keep in mind, I have bought ALL my music.

I had it sandwiched between a Lynch Mob album, and a RATT album so no one except the saleschick at HMV would see it. I was 13 at the time.
