madrackz wrote on Fri, 30 May 2008 03:31_dec is Decoration, use APC_Player!!!

I dont have mucg time now, i will answer when im back home.

well some dec worked..
ok i changed it and yet the tanks still blow up on spawn only 3 work out of bout 16 spawn points or just about? and some are the same ones that arnt showing up so i cant blame the settings
