KristyGirl wrote on Fri, 30 May 2008 11:02Hello everyone, my name is Kristy and I just got renegade the other day.

Welcome to Renegade.

The game is made of awesome and you will enjoy every minute of it, keep at the game and you will be a pro soon.

Also if you interested, there are two main mods based on Renegade that you might enjoy.

Reborn.

<http://www.cncreborn.planetcnc.gamespy.com>

A Path Beyond.

<http://www.apathbeyond.com>

If you need maps, skins, patches, mapping tools and everything else for Renegade, APB and Reborn then <http://www.game-maps.net> has it all.
