So as you can tell, I wanna know, if anyone would like to maybe give this a try?

It's not a web show, it's a machinima.

I don't get it.... Please explain to my small brain

a machinima is a movie (or episode) completely filmed in a video game, why it's called machinima is beyond me.

okokok, Who wants to start a Renegade "Machinima" then? Eh? Eh?
