reborn wrote on Tue, 03 June 2008 14:27 Last night I awoke in a cold sweat, my hands clammy and a feeling in my stomach that I hadn't experienced since Christmas eve as a small child. I could hardly contain myself as I recalled the vision sent from the powers that be.

The winds of change are blowing people, I have seen the future, and it is a heavenly sight to behold.

A prophecy is soon to be fulfilled. All hail the arrow of awesomeness.

Don't drink and drive.
