Holy fuck, I type up some lyrics and it starts a debate on modern musical trends.

Awesome.

Maybe I should start replying to Troop's threads with, like, System of a Down or something.

Edit: R3, YOU TAKE THAT BACK YOU BASTARD

Coldplay, Atreyu, Finger Eleven, Rise Against and a little bit of Three Days Grace is the shit.

I have lots of 60's, 70's and 80's stuff too. I'm big into Journey, Foreigner, Styx, that kind of stuff.

Edit: I forgot REM. This is unacceptable.
