DrasticDRkawolskyDrasticDRSorry to burst your bubble, kawolsky. But you not what I call 'good'. Well your not in Java's league.

hahahahaha,

like you`ve played me at my best,ur the shit sniper

I don't need to prove my skills to some low-life fundament. Being in one of the most respected sniper clans (NSD) along with TrueADM and other legends. I wouldn't call myself the "shit sniper."

I seen you play DR ur pretty good and was a great person to have on a team and I always hated fighting u. =)
