warrantoCaptkurtKIRBY098Captkurt I've been building Ren maps for about 2+ years

Umm, the game isn't even that old.

You have actually played this game before, haven't you?

What ever, ass wipe. you know what I mean. from the beginning of it's released world.

Quick question... what does "from the beginning of it's released world" mean? Because right now it's just gibberish.

I'll try to explane it so even you can understand it.

looking at it as worlds or stages. since i'ts "released stage". Before it's release it was in a different world. the womb, you could say, like a baby in the womb is in a different world then you are now.

See. but then you'll come back and ask me "Quick question... what does "womb" mean?"
