XeonXR6 wrote on Sun, 15 June 2008 21:06Is there an expected date of release?

This gonna be included in Renguard or are we going to have to use 2 programs to play?!

Well put it this way, I wouldn't run this program on my computer even if you paid me too. The person whom goes by the name of cj is no way in hell to be trusted, well unless you want to come back to a fucked up computer.
