Speedy059 wrote on Sat, 21 June 2008 09:50 You need to donate \$30 to those who are responsible for Renguard. Not sure if they accept the donation to unban you these days...but if you do donate it sure wont go towards further development of the software...lol Renguard is pretty much dead, and being bannred form the rg-network doesn't prevent you from playing renegade.
