I seem to be spamming up the TT threads. =p

But with 3.4.4 currently with shaders, I have this issue:

<http://www.youtube.com/watch?v=jZmgBGPpe9SU>

System Specifications:

Windows XP Home Edition

Intel Celeron 2.2Ghz

ATi Radeon X1550 PCI

1.5GB DDR PC2700

The ATi card most likely being the issue.
