RaptorX wrote on Sun, 29 June 2008 07:02 is there a visceroid skin? i remember someone saying that they typed something in the command line and they got secret characters. including the visceroid and some dinosuars?

Never seen skins for visceroids.

Yeah, there is a little command you can do to get the secret characters, the command doesn't work on all servers and some servers already have these characters as part of their mods.
