Cabal8616 wrote on Sun, 29 June 2008 12:26 Yes, capitalism sucks. Socialism, communism, and so on suck even more. I'd rather go with what sucks the least.

Nah, Capitalism isn't perfect, but I love it nonetheless. The fact that consumers get to change the market is awesome. Plus, Capitalism rewards entrepreneurs. Socialism and Communism doesn't. In a Capitalist society, technology booms. In a Communist society, technology stays at a standstill because there is absolutely no incentive to increase productivity and produce technologies.
