Subject: Character Polys?
Posted by N1warhead on Thu, 03 Jul 2008 04:19:48 GMT

What is the average amount of Character polys used in renegade that the creators used?

I need to know because of this Character I just modeled, it's high resoultion poly is like 3600 polys..... And the Low polied version is 1452.

Any help would be appreciated,

Thanks,
N1warhead.
