Well, i dont really care about the servers cuz i could play with HeavyX101. I got banned from several of them with HeavyX101 cuz i was saying bad stuff
I just want people to not hate me

Cheating on your counsin's account is no excuse for your cousin pissing you off. If you act like this big of an asshole to your family, I hope to never see you on n00bless. Now GTFO!
