NuneGa wrote on Fri, 04 July 2008 19:54congrats on celebrating an idea which led to many englishmen dying for no real reason.

Yes, how silly of the American colonists for wanting liberty, especially the freedom from ridiculous taxes and a tyrannical government. It's nice to see that after 225 years, you Englishmen are still sore losers, even if we've helped give you ingrates weapons and money in WWI and WWII.
