StealthEye wrote on Sat, 05 July 2008 14:02I think you can usually write the other part of the name as long as it is unique. I do agree that the / in the middle of a word should not be completed though. I'll see how easy it is to fix.

About the XWIS connect thing. It's probably hard to do, but it is on the todo list already to be investigated. If it seems too hard we will not do it though.

In theory, all you need to do is login to xwis, join the channel and then direct connect.
