Before you fan boys rush to defend your beloved windows, read what Bill Gates himself has to say about his own company's product. He pretty much had a nightmare experience, that is commonplace for windows users:

<http://blog.seattlepi.nwsourc.com/microsoft/archives/141821.asp>

Yeah, I read this about a week ago. It makes me smile when I think about people saying how "evil" Billy G. is.

Blazer wrote on Sat, 05 July 2008 22:46EDIT: I do sadly agree though that windows is the best gaming platform...because, well thats what OS the games are made for. If not for gaming my main machine would be running linux.

Hear, hear.
