Quote:oh, it has no bearing in the argument yet you use it to try and prove a point.. I'm tempted to call you an oxymoron here but I just don't think that word justifies this situation.

My back problem was just a bit of the story that I decided to tell you, in the end it doesn't matter what I went to the doctor for, it was the service that I got, which was bad even before I even saw the doctor himself.

Quote:protip: dignifying the last paragraph with a reply would make you look like an idiot.

lol great defense, I guess it helps to try to get people to not to respond to stupid or absurd points of your post by calling them idiots ahead of time.
