Isn't 1.038 a small increment for such a large patch?

Agreed. Why not 1.4?

Exactly what I was thinking...maybe even 2.0 because it is on 1.037...then trying to call TT 1.038? there is a lot of changes. 1.037 to 1.4 sounds funny too...where'd the zero go? heh...2.0tt FTW
