---

I cannot compile it. There are errors:

1 error C2220: warning treated as error - no 'object' file generated 1369

2 warning C4244: 'initializing' : conversion from 'double' to 'float', possible loss of data 1369

3 warning C4244: 'initializing' : conversion from 'float' to 'int', possible loss of data 1375

4 warning C4244: 'argument' : conversion from 'int' to 'float', possible loss of data 1382

Can someone help?
