liquidv2 wrote on Sat, 12 July 2008 22:05so you're forcing it on everyone to prove that you're right about it seeming to be and acting like a bug despite the fact that people don't have a problem with it and have played with it for over 6 years

you're trying to help but this might damage renegade more than help it and quicken its death overall

but ok
tl;dr

Seriously, you're not reading at all and your above post was too convoluted for any sort of comprehension.
