fully completed =/ - How do you get more points? is it kill them quicker?

No, let your interest go up. Save your money level to level.

Anyways, how far have people gotten on Random Defence?

I've only been able to muster level 48 (nine tries in a row)

1945HP Millicent FAST (or w/e) = lvl 48

At first, it doesn't look hard.

Until they don't stop coming

Random defense has 51 levels.
