@NuneGa: Agreed. A truly great sniper will take the shots they can get (arm, foot, weapon, w/e) while still having enough patience to wait for a makeable shot. Someone who goes for the head all the time is either misguided or RGHin'.

As far as the issue of skill vs. ch33ts goes...I think we will see a drop-off in the level of sniping in the general populace and a resurgence of classical AOW play (with teamwork and good driving/tanking as well as some fairly decent sniping instead of ub3rsniping at the expense of all else).
