anant wrote on Sat, 19 July 2008 01:37I am a member of the jelly fourms. People share skin web sights.

And when i aksked about where to find skins for this fourm i was given a link, is there somehting wrong with me going to Game-Maps.net?

There's nothing wrong with going there, IronWarrior owns the site so he's just curious as to how you found out about it.

Protip: he actually LIKES people using the site
