danpaul88 wrote on Mon, 21 July 2008 16:05 I have not played WoW in months actually, tried it for a bit but it's not that good tbh. And it's prophecies, I don't have any of the other campaigns

no no.. if it's a .rls txt file for well.. you know.. tsu.. then yeah.. it would be ironic at TSU gaming.. lol

I also got prophecies the other day along with EotN (already had factions) EotN rocks.. bit hard though, but much better voice acting and story.
