I need to know if this is an *cheat name removed*File? It's very imporant to know. I know the first file is the one.. Is the 2nd file the same as the top?

C:\Documents and Settings\FrEsH\Local Settings\Temp\Rar\$EX00.843\rgh.dll

C:\WINDOWS\system32\dllcache\oprghdlr.sys. C:\WINDOWS\system32\drivers\oprghdlr.sys
