sadukar09 wrote on Mon, 21 July 2008 14:57 Try updating to 1.02, if that doesn't work, try 1.03 here. I think it's EA endorsed, so it should be ok.

Edit: Screw you! Too slow.

lolllolllol....TY very much anyway! Well, yes, I have to get that patch too!

Zion wrote on Mon, 21 July 2008 14:21 Compatability settings?

Maybe forums relating to Generals in general?

TY for teeling me to look in the Generals forums lol.
