Ähm nein. Also. Äh.

Its funny that you say that EVERYONE WHO TAKES DRUGS IS AUTOMATICALLY A JUNKEY AND COMMITS VIOLENCE, WHILE GETTING DRUNK IS OBVIOUSLY PERFECTLY COOL AND IS NEVER THE CAUSE OF SUCH VIOLENCE. OK.

There's a huge difference between being drunk and tripping on drugs. Why do you think alcohol is legal and drugs aren't?

Because most "anti-drug" initiatives are largely sponsored and run by alcohol, tobacco and pharmaceutical companies.
