I made a castle for one of my maps but i have a problem do u need doorways inorder 2 get inside or can u just put a door in the wall?

heres a pic <http://www.joaorp.com/forum/viewtopic.php?t=644&start=0> yes the pic is in a another forum its not alone but o well :rolleyes: if u scroll down a little bit you will come across an upgraded pic with moat bridge and walls
