It has nothing to do with being lazy. It has to do with decency between human beings. Why the fuck do most people choose to say GOOGLE IT GOD DAMN NEWBS FUCK

UUUUUUUUUUUUUUUUUUU

UUUUUUUUUUUUUUUUUUU

 \Box UUUUUUUUUUUUUUUUUUU

 \Box UUUUUUUUU

When they could have just said "Potassium"

When you ask someone what time it is in real life to people tell you to fucking find it yourself. Or if I stop and ask firemen sitting outside the firestation if they know where such and such street is, do they say "GOD DAMN NOOB USE FUCKING GOOGLE MAPS THATS WHAT ITS FOR"? No they don't. So why the hell is the internet so abrasive about helping each other out?
