It's not like they will catch you/do anything about it anyways.

I will. Guy who owns the server I admin is like a fuckin wizard.

Also, why don't you just tape your lips to his ass sometime, seriously. You're always defending him when he does the stupidest bullshit.

I'm about to own you so bad here:

Post proof that I've ever said anything in regards to his defence on anything this dipshit has ever spoken of.

I'll be waiting.
