People taking advantage of others.
People not giving people second chances.

Whorequeer, don't get me wrong, I'm not defending you.
I'm just saying I know where you're coming from, and I see the sense that you tried to apologise.
But for the future, don't tell the forums you're going to evade.

You're joking, right?

THIS IS NOT THE FIRST TIME HE'S 'APOLOGIZED' AND 'COME CLEAN'.

Ugh, the fact that people are so damn gullible is frustrating. PEOPLE ARE NOT GOOD. That's just a sad fact of life. However, I WILL give the idiot the benefit of the doubt that it's just because he's an immature little fuckwad, but that doesn't mean we should keep doling out more chances for him to "prove himself" because he pretends that he's sincere.

Yes, people make mistakes, but the idea is to learn from the mistake to AVOID making it again. He hasn't grasped this concept, and we hold no moral responsibility to accept him time and time again. Hell, we have no moral responsibility to accept him the second time, but we do out of courtesy and respect. The least cheating, lying, drama-causing assholes like him can do is respect people back by not making those people regret their altruism.
