u6795 wrote on Thu, 07 August 2008 12:17I agree, I'm looking forward to the Gamma release or whatever they call it now because it's supposedly going to have more maps and better buildings. Hopefully the maps will be better.

Are you talking about Reborn or that new patch from TT? If it's the patch from TT, they said they wouldn't change the gameplay, just fix the bugs...
