Mauler wrote on Wed, 20 August 2008 04:31I'm mearly improving on his tutorial besides i think this is explained better! not to be putting sloth down or anything.. its just when i followed it i was so confused !. this is the third day i've been experimenting with this..

In that case, you would cite his original tutorial. Instead, you copied and edited it without a mention of "Sloth" or that you were not the original author of this tutorial anywhere. You even had "Written by Mauler" in the header image...
