[color=skyblue]i haven't seen anything like that in favor of the pointmod; if you have i'd like to see it

Ooh, looks like it's not publicly available unless you bloat their user count; please try again. lol kinda dumb that you won't even consider looking at a petition that has about 50 signatures just because you won't take the 1 minute to register. I know the guys from mcd and they would not care at all about how many users their forums has lol.
