RoShamBo wrote on Thu, 28 August 2008 07:32 If the ladder is about "skill", then why does the pointsfix, starting credits or all other things have anything to do with it? If a player is skilled, he will work with his team, he will try to get credits the honest way. Your ladder code could pick up on that.

Both the pointsfix and high starting credits misbalance the game, which devalues the ladder.

RoShamBo wrote on Thu, 28 August 2008 07:32 If you're just going off score then it's not about skill at all, it's just how long can we pointwhore for.

Elaborate, please... tell me exactly what you're trying to say, in real practical terms. No rhetoric allowed.
