Sorry, I should rephrase what I said. Pro-life restricts more rights than pro-choice. Pro-life restricts the woman's rights because the child's rights would be restricted either way.

I did a debate in my government class about abortion, my side was pro-choice. I had an argument that I was trying to remember with what I stated above.. but I just don't remember what I was going to say. It had something to do with age restrictions on various things... but I just can't remember it. :\
