R315r4z0r wrote on Thu, 04 September 2008 17:30The reason they hit that the Twin Towers was because they wanted to attack our Economy. Make it crash so that it would cripple us and we wouldn't be able to fight a war.

If they really were aiming at a psychological aftershock, they should of gone for the Empire State Building.

TBH, they win the moment we start living in fear... oh look what happened.
