Cabal8616 wrote on Thu, 04 September 2008 17:17Talk about an internet tough guy. No one gives a shit if you call them a kid over the internet. Besides, this topic is about McCain's VP pick, not about your retarded e-penis length.

Good job showing just how much you don't care by replying for your fellow anime-avatar dweeb. While that's very noble of you, you two should rather sit down together and try to figure out female anatomy for the odd chance you'll ever have a sexual encounter...crying won't change your dreadful situation.
